

# BOOK WEEK IN SCHOOLS 2020

## THE GREATEST DISCOVERY!

In association with **The Children's Book Council of Australia**,  
visiting schools nation-wide for CBCA Book Week 2020!

What's in the box? That's the question on everybody's lips when students bring something to school that they have uncovered from storage – from a cupboard, the shed or at the back of an old second hand store... Both Claire and Jonno believe they have found something that is sure to be the winner of the 'Greatest Discovery'. Is it Jonno whose imagination has run wild, or Claire who has an incredible story to tell... who will win the day? Get ready to cheer, sing, dance and get involved as these two lovable characters go head to head while everyone rushes along with them towards the moment we hear the announcement of who has made *The Greatest Discovery!*

*The Greatest Discovery* is a highly interactive educational incursion where all your students will explore the very best Australian children's books and the **2020 CBCA Book Week theme: CURIOUS CREATURES, WILD MINDS**. Book Week in Schools features a selection of the CBCA 2020 Shortlisted Books, encouraging students to **engage with reading in an active and energetic manner** and reinforcing the idea of **inclusiveness** and **celebration of endeavour** rather than competition outcomes.

“It was the best incursion I have been to. The layout, the actions, getting the students moving mid performance was a great idea. The message was invaluable, I have changed my lesson structure around to incorporate the positive messages. Thank you!”
