

TEACHER STEP-BY-STEP GUIDE

PERFORM EDUCATION VIRTUAL INCURSIONS

TEACHER STEP-BY STEP GUIDE

Welcome to the **Science Week in Schools Virtual Incursion** program ***THE MARINE TEAM!***
Educating your students about Marine Science and Ocean Sustainability, this program celebrates the National Science Week 2020 Schools Theme: **Deep Blue: Innovations for the future of our oceans.**

Participating in this program is easy and integrates with the Australian Curriculum to seamlessly aid your teaching methods both at school and at home.

The Virtual Incursion program includes:

- A 45 minute live-on-film educational theatre science comedy
- Pre-performance Teacher Preparation video
- Post-performance student quiz with individual results provided
- Post-performance Q&A videos
- Educational web portal with personalised school login for teachers and students
- Teacher Guide and Resource Pack
- Student digital games
- Student downloadable activities
- Schedule your classrooms for a live-stream 'Meet the Actors & Creatives'

BEFORE THE DAY OF YOUR VIRTUAL INCURSION

1. Go to [PerformEducation.com](https://www.performeducation.com)
2. On the homepage select the Virtual Incursions **LOGIN** button
3. Use your school password provided to access the educational web portal for ***THE MARINE TEAM!***
4. Watch the 'Teacher Preparation' video – and share with all staff that will be assisting students to participate in this program
5. Discuss the program with your students, and the topics covered, and explain to students about the upcoming Virtual Performance.

ON THE DAY OF YOUR VIRTUAL INCURSION

1. Stick to your scheduled performance viewing times for each grade/classroom. This will provide you with a structure for the day and a focused learning environment for your students.
2. Make sure you provide all teachers/classrooms/students that will be logging in with our web portal details and your school password.
3. One hour before your scheduled start time, log yourself into our web portal using your school password to ensure you familiarize yourself with how to access the live-on-film performance.
4. As each individual classroom/group session is ready, the teacher/facilitator or student simply needs to log into our web portal, enter their name and the school password, and then play the performance video.
5. The live-on-film performance will run for approx. 45 minutes. There is no need to pause at any time.
6. However...as your access to the performance video is open for 7 days, you are able to structure your viewing/learning sessions. You may choose to spread the event over a few days. You could watch 25 minutes of the performance per day, and then break into a classroom activity found in this Teacher Pack. Alternatively, you may want to watch the entire performance in one session, and then on another day have students watch again as part of your review and further exploration of the content.
7. At the end of the performance your viewing can continue immediately, or on a separate day/time, with our post-performance Q&A recordings - available all year long to view and discuss.

TEACHER STEP-BY STEP GUIDE

How do we view the Virtual Incursion?

The Virtual Incursion is accessed through our website educational portal. All you will need is a screen big enough for everyone to see and an internet connection. You should check in with your school IT department to discuss what will work best.

The live-on-film performance can be watched in individual classrooms, the school hall, theatre, science lab, library, multipurpose room, or even have students log in and view from home.

You may also want to prepare instructions for any students who may be remote learning and need the portal website and school password in advance to login at home.

If you are viewing at school, you could use:

- Individual classroom interactive whiteboards
- Projector connected to a computer
- A large TV connected to a computer
- Individual students on their laptops

Then for each classroom/group that is viewing you will need a teacher to access the portal and oversee the viewing session.

What is the Live-On-Film performance?

THE MARINE TEAM is a 45 minute live-on-film educational theatre performance from *Perform Education* and performed by two professional actor/educators with two goals.

The first goal is to highlight **what is ocean sustainability, how oceans impact our planet, solutions that generate healthy oceans and how YOU can help embrace innovative ocean technology**. The second goal is to make your students laugh so hard that they forget they're learning!

Sketches include a scientist attempting to use a time machine to collect ocean water from the past, an award winning ocean documentary maker coaxing his reluctant presenter into a passionate performance, a wannabe evil-villain brainstorming world domination via ocean sustainability technology, and a day in the life of an ocean-conscious student, who just happens to be a world famous popstar!

THEMES: Marine science, ocean sustainability, innovation in marine engineering & technology, sustainable aquaculture, pollution, plastics, global warming, ocean acidification, marine renewable energy, personal ocean sustainability behaviours, Aboriginal & Torres Strait Islander Peoples' ocean sustainability practices.

AFTER YOUR VIRTUAL INCURSION

1. Ask all teachers and staff go to [PerformTeachers.com](https://www.performteachers.com), click on the name of this program, and evaluate the program – they will each then go in a draw to **WIN \$200** for their classroom!
2. Then jump back onto [PerformEducation.com](https://www.performeducation.com)
3. Log into this Virtual Incursion program using the same password you used to view the performance
4. **DISTRIBUTE THE ONLINE LINK TO THE POST-PERFORMANCE QUIZ TO ALL YOUR STUDENTS TO UNDERTAKE THE SHORT 10 QUESTION POST-TEST, AND WE WILL PROVIDE YOU WITH INDIVIDUAL STUDENT RESULTS TO AID YOUR STUDENT'S LEARNING AND RETENTION.**
4. Also utilise the year-round access to educational resources including digital games, activities and videos for your students
5. Take the opportunity to schedule a live-stream 'Meet the Actors & Creatives' session and have students chat directly with our team.
6. Now schedule a date for 2021 – with options once again for **LIVE** or **VIRTUAL** incursions!

MANY THANKS FOR YOUR ASSISTANCE AND SUPPORT!
