

BOOK WEEK IN SCHOOLS VIRTUAL INCURSION 2020

THE GREATEST DISCOVERY!

In association with **The Children's Book Council of Australia**,
visiting schools nation-wide for **CBCA Book Week 2020!**

Live-On-Film Performance

Captured Live-on-Film our *Book Week in Schools Virtual Incursion* is educational and interactive for both students and teachers to be engaged throughout. The performance is captured live-on-film with multi-cameras and in high definition, meaning everyone watching will be doing so from the best seat in the house. The live-on-film performance will include interactive segments where there will be 'Pause Zones' to answer quizzes, complete activities, physical challenges and have guided discussions to dig deep and embed the key learning points while keeping students active and engaged - while also having great fun!

Hosting a *Perform Education Virtual Incursion* means your whole school can be involved whether having a large group viewing, classroom by classroom sessions, or even with individual students included from home.

Interactive Q&A

For further learning and student interaction there will be a post-performance Q&A which will provide your students with the opportunity to explore some of the key questions connected to the learning points. Additionally, there will be an opportunity for your students to ask questions online with our actors and creative team.

Program Overview

What's in the box? That's the question on everybody's lips when students bring to school something they've uncovered that has been put in a storage box – in a cupboard, in the shed, at the back of an old second hand store... Both Claire and Jonno believe they have found something that is sure to be the winner of 'The Greatest Discovery' on the day. Is it Jonno whose imagination has run wild, or Claire who has an incredible story to tell, who will win the day? Get ready to cheer, sing, dance and get involved as these two lovable characters go head to head and everyone rushes along with them towards the moment we hear the announcement of who has made The Greatest Discovery!

The Greatest Discovery is a highly interactive educational virtual incursion where all your students will explore the very best Australian children's books and the 2020 CBCA Book Week theme: *CURIOUS CREATURES, WILD MINDS*.

Book Week in Schools features a selection of the **CBCA 2020 Shortlisted Books**, encouraging students to engage with reading in an active and energetic manner and reinforcing the idea of inclusiveness and celebration of endeavour rather than competition outcomes.

Digital Resources

With your own individual school login, the live-on-film performance will be available for your **whole school** to watch on the date of your scheduled incursion.

The *Virtual Incursion* program package will also include a range of hands-on educational tools with online interactive games, classroom and home-based activities, and teacher resources as a tool to extend the learning. These tools are available to access for the rest of the school year to provide continued learning at school or at home.
