CBCA Book Week 2022 Overview

I've been dreaming...
Marley wakes up full of excitement and expectation. She's been dreaming that she has written the most marvelous story and now she's awake it's time to set about making it happen. However, the road to creating her story is much more difficult than it first seems. What happens in dreams often isn't how things turn out and Marley finds herself embarking on a journey filled with unexpected twists and turns. To reach a destination where 'dreams come true' she must overcome some pretty significant obstacles.

Dreaming is much more challenging when you're awake!
